Dear Mr. Albano,

I would like to take this opportunity to thank you for your hospitality last week when we visited your school. As you know, we came with a varied group of parents, teachers, office staff and administration. Without exception, we all walked away feeling most impressed.

As we debriefed the next afternoon, we were able to cite a multitude of outstanding features, some of which included:

- Warm, welcoming feeling throughout the school, starting with the greeter who hugged us!
- Teachers and Staff members who smiled.
- Students who were respectful and attentive.
- Building was aesthetically appealing
- Space was used effectively
- Administration was visible and accessible

We are eager to implement some changes here at Eldorado based on our visit to Lincoln School. Upon our return, many of us shared our excitement with other schools within our district; be prepared for an onslaught of visitors!!!

Thank you so much for the time you gave us, the wonderful breakfast and lunch treats, and your willingness to share. We are all richer for having had this experience. Please share our gratitude with your staff.

Fondly,

Barbara S. Craft
