Principal
Lincoln Elementary School
170 East Lincoln Avenue
Mount Vernon, New York 10553

Dear Mr. Albano,

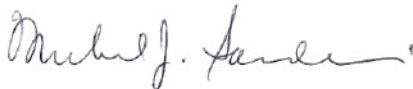

On behalf of the Stillmeadow team who visited your school, I am expressing my deep appreciation for the time and attention you and your staff afforded us.

We left your school deeply impressed with your instructional program and your profound commitment to ensure success for all students who attend Lincoln Elementary School.

At our faculty meeting, we will discuss how the Lincoln educational model can help to bring positive change to Stillmeadow. Dr. Sally Harrison has asked me to express her appreciation for allowing us to visit. Our visit to your school will be shared with other administrators and stake holders who are dedicated to closing the achievement gap that exists in Stamford.

My best wishes to you and your staff for a healthy and happy New Year.

Sincerely,

Michael J. Sanders, Ph.D.
