

November 13, 2003

Dear Mr. Albano -

I watched the awesome report on KPBS last evening about the incredible work you are doing at Lincoln School.

I write to applaud your efforts and to say "Thank You".

I wish there were more educators like you all over this country. Perhaps through the KPBS report, your model will be considered for national implementation.

Again, I say "Thank you"!!

Sincerely,  
Debbie Willis
